

David Lance Fuller

January 4, 1949 - July 24, 2018

Dave was born in Emporia, Kansas and grew up there. Emporia is a town of about 30,000 people, and a small town teaches you to love your neighbor and help them. This lesson shaped so much of what he would do throughout his life. His family vacationed in Colorado where he loved skiing and cool weather. As an adult, his job brought him back and now the rest of the story....

Here he settled and had a family and that became his top priority for the rest of his life. His love was doing things with his family like hiking, skiing, sailing, and sports. The sports consisted of baseball, basketball, volleyball, hockey, football and soccer and he especially loved these sports when his children or grandchildren were playing! Traveling with the family also was fun for him. He enjoyed visiting relatives where ever they lived, east coast, west coast and Australia. Vacations took him to the Caribbean Islands, Honduras, Costa Rica, Belize, and Hawaii.

His traveling also included going on mission trips to help people after they were hit with a disaster. With River of Grace mission team, he traveled to Joplin, Missouri, Moore, Oklahoma, and Bolivia. He didn't just help away from home, he also helped the people of our community. He volunteered for Meals on Wheels for 18 years, built homes with Habitat for Humanity, raked yards with Rake up Pueblo, and helped his beloved church family at Central Christian Church and River of Grace. He loved his church family and made

sure newcomers felt welcomed.

In addition to all of this, he loved Lisa's classroom and often went to read, Oh, the Places You'll Go to the children on Dr. Seuss' birthday. Plus, when springtime came, he enjoyed introducing the kids to "Casey at the Bat" and Abbott and Costello's "Who's on First". Lisa had to draw a baseball diamond on the board, so they could follow the story. He loved to help her students read and learn math facts.

Another love in his life was the Emmaus Community and the Walk to Emmaus retreats. He was a pilgrim on Walk 120 and helped ever since. His last walk was this April, Walk 174, in Flagler, Colorado.

We want to also mention how he enjoyed the Denver Performing Arts and the musical productions. The first musical he saw was "Phantom of the Opera" and his favorite was "Les Miserables".

Last, but not least, the Colorado Rockies were his team!! He started following them their inaugural year, 1993. Soon after, he followed them to Spring Training every March in Tucson and Phoenix, Arizona. He went this last March to see them and caught a Nascar Race, rooting for Clint Bowyer, a hometown boy.

Dave was a devoted son, brother, husband, father, umpa, uncle and friend to many.

Dave was a Christian and believed in the saving grace of Jesus Christ. It is this faith and the peace that surpasses all understanding that maintained us these last 3 years.

Pueblo, CO 81001

Tribute Wall

TC

“ David, thank you for giving me your father's locomotive books. A wealth of knowledge from the first generation of diesels. I will make sure they have a good home. It has been an honor at the railroad and at the retirees breakfast.

Timothy Clement

“ Where does one begin to say all the kind things about Dave? He was a friend to me before he and Marilyn met. He counseled my son before he helped him find an affordable home and in Dave's last year he came to meet us to show us a possible business property. His honesty and love for others has always been present at every encounter: you always trusted Dave and what he had to say. Dave and Marilyn shared their faith of God, our savior when I was lost; they invited me into their church and shared time with me. They believed and their faith helped me to continue my faith. His love of life, his love of family, his devotion to his faith and love of others is accounted time and time again in all the generous acts he did; many of them are not revealed. We mourn our time without him but smile to know he is continuing on in the love and glory of our God. I know my life is better because he was a part of it.

“ It has been a blessing and honor to know Dave. He always had a smile on his face and a great sense of humor. Dave helped us find our home that we are raising our children in and making memories as a family. I know he's done that for countless people. He lived a very rich and full life- always ready and willing to serve others. Although he will be greatly missed, we can have peace knowing he is in the presence of our Lord Jesus Christ, and is free from all pain and suffering. We continue to pray for your family. ❤️, The Okins Family

“ Uncle “bro”. What a guy. Our lives walked together through kids, grandkids, business and greater pueblo. Dave always had a plan. One for the day, week, year. And mostly around baseball and lunch A humble man his footprint is a large one not filled by anyone else Always proud and loving of his family. His friends always bettered by his presence and ideas. I will miss him Every time I play one of those Kansas games, see spring baseball start, and so much more. A professional story. We walk up to a house that could easily be bulldozed. And Dave would say “well, look here the sewer is newer. “ Always pulling a positive outlok. Clinton and I laugh every time we see these crazy houses we both quote Dave “. Must have a newer sewer. “ “Or look the doorknob works. “ Lol. See you in heaven my friend

“*Dave will be greatly missed by all of us. I always admired the faith he had, such an understanding of the Bible and god. He was such a special man. Marilyn, you and Dave were such a good team and you are such a special lady. I'll never forget the puzzles we put together. When ever I got frustrated I'd say, I have to call Marilyn and Dave. It was an honor to be able to help out during Daves illness. We have shared a lot over the past many years. God bless Dave and may he Rest In Peace. My heart goes out to you and your family. Dave was so proud of all the kids and always had such a good time with get togethers. I know only to well how hard this is for you and all the kids. Love to all of you and I'll only be a phone call away. Linda Diamond*
