Debbie was a beautiful soul and would give you the shirt off her back especially if you had four paws and a tail. She was a shrewd businesswoman and the Pueblo LBTQ community will always be grateful to her for operating the hottest bar in Southern Colorado. I am positive all your fur babies are happy you joined them. Love you gurl. Love Jan

I miss you so much Aunt Debbie, I know you are blessing me and my children from the heavens above. You are the one who taught me to pray every night, and you are the one who has strengthen my connection to god more than anyone and that is one of the main things that has gotten me through this heartbreaking loss. I think of you every single day, and listen to old voicemails of you calling me to tell me you love me when I need to hear your voice. I cannot wait until we meet again <3

“ *Debbie was kind and loving and had a big heart. She never turned away a stray animal and was always there for her family and friends. She also was a wonderful artist. Debbie was my big sister and I love her very much. Rest in peace, Debbie.*
