“ *RIP Don. My condolences to the Family and Friends of Don Montoya. I knew Don through my Nino Robert whom Don was Friends with. He also came to see my Great-Grandma a lot whose house I spent most of my time at. Don was very nice and very funny, I enjoyed all the times I saw him when with my Nino and Great-Grandma. He will be missed dearly.*

You definitely are one of a kind. When God created you, he threw away the mold. You are loved and will be missed by many of us. You gained your wings and you are flying high with our Family members that have left us behind. You always had so many favorite Nieces and Nephews, but....I know in my heart, I was always the most Favorite. Rest in peace, dear Brother, until we meet again in Heaven. I love you beyond infinity my Brother 💔💔💔💔
