“ *To the Pritekel family,*

I offer my most sincere condolences on the loss of Donnie. I have fond visits of visiting at his folks house when I was a young girl. We were all so young back then! I felt privileged to know him and all of the beautiful members of his family. I know Hank and Nadine are welcoming him in heaven with open arms. Rest in peace Donnie, your labor is done.

“ *Don, what a wonderful blessing you were to me and my family. You created such laughter and joy wherever you went and was such a guide for me through much of my life. You made the world a better place, but even more importantly, you made the Vineland farming community a place on the map. You will forever in mine and my family's heart live forever.*

Love ya Don, rest in peace and "Give Heaven a Little Hell" would ya!!!

“Donny was my cousin, who was more like a brother. We were double cousins, because my mom (Nancy) and his mom (Nadine) were sisters, and my dad (Joe) and his dad (Hank) were brothers. My dad and his dad farmed in partnership (Pritekel Bros. Farm). Our families lived 100 yards down Nicholson Road from each other, and we spent significant time together. We worked hard and, we had a lot of love for each other. His parents were my second parents, and my parents were his second parents. It was an incredible way to grow up.

I admired Donny, and he was my first mentor, before I knew what a mentor was. He was a great athlete and student at Pueblo County High School, being a three-year letterman in football, basketball, and baseball, receiving a scholarship to play football at SCSC.

He was also a teacher, whether it was sports, or showing care and concern for family, or showing care and compassion for people who were less fortunate.

I admired and loved Donny, as we grew up on the farm, and as time passed by. He taught me how to water and snow ski, and he took me fishing.

I remember the memories that he helped me to create, through the hard work that we shared, and the fun we had, and the love created, being part of a large, beautiful family.

Thank you, Donny. I love you ❤️, and I miss you. As born again believers, I'll see you again for eternity, in Heaven.

With significant love for you,

Tom Pritekel
