“ *Donn and I were in the same academy together and car pooled together for a short time. He was funny and blunt, tell it like it is, he was the hammer when we needed to throw someone out of the car pool. Rest in peace, buddy.*

“ *Donn always had conversation and smiles when I would come and go from work. He was always willing to serve where needed. Donn was a great guy, friend, and co-worker. I can't walk past the facility gate without thinking about him and the positive interaction and comments about daily or weekly matters. What a blessing he was to so many.*

“ *Me and Donn worked together for the better part of 8 years. I honestly cannot think of anyone who had a bad thing to say about him--he ran the front gate and always had a smile for anyone entering or leaving the facility. He was more than a co-worker he was a friend.*

“ *Donn and I were in the same DOC academy and worked together at Four Mile. During the academy he was quickly recognized, and earned his nickname "Out Standing". Very sad to see a brother in blue pass. Prayers for family and those who knew him.*

“ *My uncle was the greatest. He meant so much to me. He was like a dad. We use to wait till he got off work and ask him to bring us late night Taco Bell. He loved sneaking up on us and scaring us when we were over. I loved watching the game show network with him. You will be greatly missed. I love you Uncle Donn. Rest In Peace*
