“ *No more howling at the moon and kicking the stars. No more junk stores and lunches at our favorite café. No more sharing secrets, no more finding positive things to do. We've been together for over 45 years and you sister will be missed. Our road trips are over now I must travel alone. Save a place for me in heaven and give that cajjin cutie a kiss for me. You will be truly missed.* ”

“ Donna Jo was a great daughter. mother, grand mother, sister and friend..Being the oldest of six children from Joam and Donald Brandon, she set the example for all.of us.. she help raise Tommy, Pam,Scott and Kimberly.. she was always there for us no matter what even when we didn't know she was... A woman with a huge heart and a helping hand to everyone.. Donna had so many friends nationwide that she blessed them by crossing paths with them....Donna will be greatly missed by family and friends..

The one thing that Donna taught me by example.. like her father .. you got one life live it the to fullest and its urs to.live...

Love ya sister ..
