“ I remember meeting Donna for the first time at Christmas. John you bought her a gold bracelet that year. I remember wishing I had her beautiful blond hair. She was immediately part of the family. I will always remember her laugh, how soft spoken she was her smile and her amazing ham and burritos.
All our love to you and Danny.

“ *Im gonna miss my little sis. She always had a smile for me. I would call her from Georgia & we would always talk forever & laugh at each other. She was an animal lover & always had her dogs around her. We didn't have the privilege of growing up together but became very close in adult life. She will always be close to my heart & I'll remember her smile & laugh forever. Rest in peace little sis. Your struggle is over.*
