“ *Dear Nancy and Tracy, - Chuck had such wonderful times w/your parents before we were married. Then, 44 years ago he brought me and 2 young children (Peggy and Pam) into the mix. How, hospitable they were. We came many time to Red Creek Springs Road. We remember running after baby pigs and turkey dinners in the middle of summer. They visited us as while we built our home in Howard, CO. We were living in a trailer as we built it and your father gave hilarious suggestions on how to take a shower in a trailer. Your Mother, gave her very pleasant look and soft laugh. We loved our times together. We can still hear her laugh today.*

We were once told that friends and loved ones are a gift given to us by God to love and enjoy. After that person is gone, God has another gift for us...all of our good and happy memories.

We can't be with you in person, but our hearts are with you and your family during this difficult time.

“ Tracy and Nancy-- We are sorry for your loss but we have such fond memories of your Mom and Dad when we were all active in the Saddle Club with our horses with Terri and Todd. May God Bless you and may all of your good memories help you thru this sad time.
