“ Cassie,
Randall & I were next door neighbors to your mom and dad on Longmont when they first moved into their new home. We so enjoyed being neighbors and loved being friends with Dorothy & Frank. We thought highly of them both and are so glad they came into our lives! They were special folks that loved you and all their family so much. I know you miss them terribly. You all will be in our prayers.

“ Cassie -

*I just want to let you know that my sympathies to you and your family are certainly in order for the loss of your Mom. She was a gentle soul and was loved much by us at Llife Care.
I do hope that the final months of her life with you were great ones and you enjoyed having her close by.*

*Blessings and peace to all,
Marty Schlink*
