

Duane Donald Seder

October 19, 1960 - May 16, 2025

Duane Seder was born October 19, 1960, and departed this life on May 16, 2025.

Duane was best known for his quick wit and sense of humor. There wasn't a day that went by when he didn't have a joke ready for his family or coworkers. Duane was a man who truly entertained everyone with a touch of mischief. He was also a gifted musician and played guitar and piano with an effortless grace.

Duane's other passions were riding his bicycle at the Pueblo Reservoir, hiking at San Isabel and climbing the Manitou Incline. He was so proud of his record time of 42 minutes. He also loved spending time with his children and grandchildren.

Duane is survived by his wife of 38 years, Robin; their two children, Kara (Will) Gronholm and Daryl (Courtney) Seder; his two adoring grandchildren, Joshua and Jessie. He is also survived by parents, siblings, a niece and nephews, and a vast community of friends.

In effort to help display his bright personality, please wear bright colors to the services.
