“ I love you grandpa! I'm going to miss you so very much. I'm so glad that I got to create so many memories with you. I'm glad you got to know carlee and nevaeh so well and they fit right in with you. I will cherish the guitar lessons, the fishing trips and all the card games we had. “Dad I will always treasure the times we had together. I remember when I was little and you would grab your guitar 🎸 and help me practice my drums. I will always remember all the good things that we did together. I'm so glad that I had the chance to tell you how proud of you that I am. You did many great things and for that I'm so grateful. Go rest high on that mountain and tell all the family hi.
