

Eddie Michael Archuleta

August 30, 1979 - November 26, 2020

EDDIE MICHAEL ARCHULETA, 41, died peacefully at his home with his family at his side on Nov. 26, 2020. He was born August 30, 1979, in Pueblo. He is survived by his loving parents, Charles and Linda Archuleta, and his one and only soulmate, Rita Chavez, along with sister Melissa, brother Philip, nephew Mauricio, nieces Marlena and Cookie, numerous aunts, uncles, cousins, friends (many from childhood) and neighbors. Eddie enjoyed a career with Sears Auto for 24 years, where many of you may have visited him. His work ethic during those years, from a 16-year old into adulthood, was inspiring. Eddie was A car enthusiast and thoroughly enjoyed the annual car show with his friends and family. He Was a “big guy” with the biggest heart for our 4-legged friends. One of his dearest loves was little Gizmo, his Yorkie, whom he’d often carry around when he was out. If someone told him It was strange to see a big guy with a little dog, he’d say, “What the _ _ _ _ is that supposed to mean!” Eddie was the first born to Linda and Chuck, and his devotion to them and his family was truly admirable. His hilarious sense of humor and capacity to love with a heart of gold will remain with each of us who knew and loved him. A remembrance service will be held on Aug. 30, 2021, location TBA. Online condolences can be made at roselawnpueblo.org

“ Sorry to the family for their loss of this good guy. One day Eddie and I went on an atv trip and took our fishing poles and a tub of worms, and packed snacks and a sub sandwich to share when we reached the top. The trail was to rugged that by the time we got to the top, the sandwich was soggy from the ice and the tub of worms were all over inside the cooler. We tossed everything except the Oreos and in the way back home Eddie asked me to hand him the Oreos and as he was eating them he asked me to see why the cookies tasted like dirt, I tore the whole top off and there worms got inside the bag of Oreos. Eddie slammed the breaks and started throwing up. It was hilarious!! Good times my friend! You will be missed Louie samora...

“ Eddie was an outstanding neighbor and friend to us. Always friendly and helpful in so many ways. He and his orange, custom, Camero just went together. So cool ! For years he would see that we could enjoy the annual Street Rod Nationals at the state fair grounds. His little Yorkie, Gizmo, was a true companion ever by his side. Our heart breaks for your families loss. However, we will always be your neighbor and friend as Eddie would have wanted.
