“ I want to say that I just found out about Ed passing today. My name is Don Boyd "Tweety" is what you may remember me by. Dorothy and Missi, I am so sorry for your loss. I was a good friend of the Ford family which is where I met Ed. He was with Mary at the time. I was always glad to run into him from time to time and help him with a plumbing issue or talk about our fun past. Missi, I loved your Dad and I am sure going to miss him. Love you all and God Bless. Tweety.

Hi Tweet, it's Missi. I'm sorry I just haven't had the mental strength to read these messages til now. I remember you very well. So many great memories with the Ford family for sure. We miss him terribly. Some days I can't even breathe.

“ I was so sad to hear of Eddie's passing, he was always such a positive and cheerful person and loved to enjoy life.

We were good buddies during our junior and senior years at South High School... we always had a good time together, usually getting into trouble doing dumb things! LOL

We lost touch with each other when I joined the Navy and he stayed in Pueblo to carry on with our crazy antics.

My sincere condolences to his family and friends during these difficult times, my heart goes out to all who knew him and shared in his love of life.

May God Bless and watch over you my dear friend.

“ As a friend of his mother, Dorothy, I did not get to know Ed well. However, on the occasions I had to speak with him, he was very friendly and kind. I know there is a huge hole left by his passing, and my heart goes

out to his family and friends. I'm praying for comfort, peace and strength as you face the difficult days ahead without your loved one.
