“ *High Flight by John G. Magee*

*“Oh! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
of sun-split clouds,-and done a hundred things
You have not dreamed of-wheeled and soared and swung
High in the sunlit silence. Hov'ring there,
I've chased the shouting wind along, and flung
My eager craft through footless halls of air....
Up, up the long, delirious, burning blue
I've topped the wind-swept heights with easy grace
Where never lark nor ever eagle flew-
And, while with silent lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of God”*

Looking forward to seeing you one day again, flying high amongst the clouds and heavens, no longer constrained by the limits of this earth. Until then, we will miss you. Godspeed. Love, Joe and Eileen.

“ Sincere condolences and prayers for the Kiniry family in the loss of Eddie. Eddie and Elaine were dear friends of both my parents, Dale & Joan Alyea, for many years. I remember both of them growing up in Pueblo and their many activities together through Civil Air Patrol, the iconic Mickey Mouse Club and the many years of radio control airplane building and flying. Eddie and Elaine were very nice and kind to me always and I have fond memories of both of them. My dad Dale passed in 2008 and my mother followed to join him in December of 2014. Many members of the Club have passed on now and it was such a special and fun group of people My mother's Father, Sidney Hall, also joined the Mickey Mouse club after the passing of his wife in 1973 and was very much involved until his passing in May 1976. This great group of people gave him many precious memories of fun times and trips together, which gave him purpose and a zest for living after becoming a widower. I remember many times Eddie coming over to our house to build airplanes and visit with my dad in his workshop. God bless Eddie and May he Rest In Peace. Sincerely, Carolyn Alyea DeLaTorre
