“ My dear sweet sister I love you so so much and I am going to miss you terribly. You were my rock and I had so much respect and admiration for you, you were my guardian Angel here on earth and I pray you will continue to be in heaven. I don't know how I will go on without you, you are my best friend and I will never ever stopping loving you. You also took on a mother role with me, always helping me, you told me countless times how much you loved me, and I know you were sincere. I enjoyed our Monday's together, every Monday for 5 years without fail you were with me and at times was 2 or 3 times a week, I enjoyed it tremendously. I do not know how I'm going to get through the pain of losing you I am missing you so much already. please continue to be my guardian Angel in Heaven. I pray my Dear Lord has you in his Heavenly Kingdom for eternity safely in his arms. I will miss you and love you more than I can express but I know I will see you some day, so for now it's see you later, I love you Dearly. SADIE.

“ I had the pleasure of working with Elaine @ CMHIP, the adolescent cottages. It was a tense atmosphere for many reasons. But, Elaine was always there, smiling & making my day so much better. I loved how honery she could be, teasing & giggling about things. She was truly the bright star in my day & I loved her too. Now she's in heaven making everyone smile there.

“ My deepest condolences to the Salazar family, and also my good friend Toni. Elaine became my friend in elementary school and every time I thought of her it was her kindness and respect for me that I remembered about her. She now watches over us from above. God bless you Toni, I will continue to remember you and Elaine in my nightly prayers. The book of Jeremiah 29-11 says it all. I humbly ask our Heavenly Father God to bless Elaine and may she rest in peace. Elberto (EL)Lopez
