“ *Elijah was like a brother who was there for me whenever I needed him and he was always smiling and laughing. He was a caring nice young man and I will always have Elijah in my heart I love him so much I wish he was here right now because I can't believe that this had happened to him. Elijah was very good at basketball and we would always go play at Bessemer school all the time with all of our friends and family. I will always miss him, and he's always on my mind when I found out he had past away. I'm very sorry for your lost.*
