

Erik Richard Markey

December 18, 1997 - October 30, 2025

Erik Richard Markey was born on December 18, 1997 in Phoenix, Arizona and passed on October 30, 2025 in Pueblo, Colorado at the age of 27. He is lovingly survived by his parents, Kevin Markey and Trinette Swartz-Markey; sister, Erin Figueroa; and aunts, Charolette Serracino and Tara Swartz. Erik went to high school in Chandler, Arizona where he excelled both in athletics and the arts. He was a proud member of the varsity track team and won multiple state competitions for his photography. Erik had many hobbies including hiking, snowboarding, the outdoors, traveling, art, and music. He was happiest when he was surrounded by nature or sharing his passions with those around him.

To know Erik was to love him. He was a gentle soul whose warmth and generosity uplifted those around him. His charisma was effortless, his kindness sincere, and his presence a source of calm and comfort.

Though his time with us was far too short, Erik's spirit continues to shine through the memories he leaves behind. He will be remembered always as a pure and compassionate soul, one who made the world softer, brighter, and better simply by being in it. His family and friends will forever carry his memory in their hearts and honor his life through love, laughter and kindness in their everyday lives.
