“ I have had the pleasure of knowing and working with Fabian here at Roselawn Cemetery/Funeral Home. He was a genuine human being and I will miss our talks. He left us so suddenly that it has been a shock for all of us that worked with him. Totally unexpected. May we all remember that to make our transition suddenly and quietly is "God's kiss upon one's soul", and is a sign that the life has been well lived. And so it was with our Dear Friend, Fabian, a life well lived. A gentle soul that now rests in peace.

Not only were you my uncle but you were my padrino as well. You were always so loving to me and my family and we have so many fond memories. One of my favorite memories is when you came to visit us in California and you men all went deep sea fishing and then Fabian Jr cooked up a feast. I know you are fishing with your son and my father in heaven. Rest in peace tio and thank you for your love and kindness, you are missed but never forgotten.
