“ I have kept this picture since I was small and always wondered what became of my friend. In preschool he made me this necklace in the picture. His name was Tino. Can someone please confirm if this is the same person? He was on my mind today and I came across this page and my heart is heavy. This was taken in west palm beach at wee wisdom. If he is not the same person I sincerely apologize - he looks just like I would imagine him grown up. If it is will someone please email me?Gabriela.bird@yahoo.com

“ *I am so sorry for the loss of your loved one, so young , with so much life yet ahead to live.*

Our Heavenly Father promises that one day in the near future He will reunite us with our dead loved ones by means of a resurrection right here on earth in paradise conditions that will be filled with peace, happiness, and perfect health for everyone. (John 5:28,29; Psalm 37:9-11,29; Isaiah 33:24)

As you read the above texts from your Bible, may the wonderful hope they give us, along with loving memories bring you a measure of comfort during this most difficult time.

There is much Bible-based comfort to be found on the website www.jw.org

“ I'm so glad Tino was a part of our lives. He would come hang out with Tommy and later on after they went their separate ways whenever Brad would run into Tino he would ask about Tommy and how he was doing. They got the opportunity to reconnect last year and I'm very thankful that they did. Tommy loved Tino. He had a special place in my heart and always will. We are so sorry that he was taken from his family all too soon! He is in a wonderful place without pain. Thank you God! God bless you Frankie, Jody and all. In friendship. Gina and Brad Heath
