“ Sorry to hear about Uncle Frank. I pray you find comfort in the Lord during this time. I remember Uncle Frank always tinkering in his garage working on something, that is where Grandpa Jack and I would find him when we would make our rounds visiting family on Saturday mornings when we were kids.

My thoughts and prayers are with you all.

“ I am so sorry to hear about Enka. I loved him. Everytime I would see him, I would sneak up behind him and put my arms around him and hug him. He would smile and then start yelling, " Get away from me Debbie." Everybody else thought he was really mad, but him and I knew better. That was our special relationship. I will miss him immensely. There is definitely a hole in my heart.
