*Im glad I was able to work with you at Bluesky. You were very respectful and respected by co-workers and clients. Apart from working, it was fun watching Pawn Stars and drinking coffee while on shift and having fun with the clients. You were a hard worker and were easily the coolest, most easy going (pretty chill) guy I worked with .....out of all the jobs I've had (and I've been fired from several) You never sweated the small stuff. You will be missed by many but many memories will exist for family and friends, including a few that I have while working with you at Colorado Bluesky. Be In Peace my friend Frank.*

*Frankie, you are the best! I love your sense of humor that some people didn't seem to get. Thank you for completing my sister's life. Its time for you now to join our other guardian angels up there and watch over the remaining loved ones down here. You will be missed. Rest well and peacefully! Andee Fitzgerald*
