“ *My sincere prayers and condolences to the family. Frieda was a wonderful and kind lady. I will miss her, Janet and Ralph. She always treated me like family. Janet and I were childhood friends and played volleyball together in Catholic school. I would always listen to mexican music when my parents visited. Rest in the arms of our Lord Beautiful Angel.* ”

“ *My Beautiful Aunt Frieda, a giver of unconditional love, deep faith, support and genuine care. The definition of a Saint, is Someone who lives an Ordinary life, Extraordinarily Well. This surely was my Aunt Frieda. She always fed the hungry no matter how many came to her door. She prayed for us and with us through her devotion of faith, belief in her religion and genuineness of her soul. This was my Precious Aunt Frieda. Thank you God for the time we had her.*
