“ Gary, Gary, Gary - you have left us too soon! As Tina and I look across the street we still expect you to drive up at any moment. I miss our talks standing in the middle of the street, or sharing our garden bounties. Only to laugh at the fact we planted the same veggies. Maybe we should've talked about who's planting what! You have a big heart and just a genuine individual. You have been very good friend and neighbor! You shall be forever missed. Rest in Peace dear friend. Joe & Tina Vigil
