“ I remember Mr. Gene De Salvo when he taught Math at Risley Middle School. I had him for 7th and 8th Grade mathematics and he made everything look so easy to the class. He wouldn't proceed until everyone in the class comprehended the lesson. Rest in Peace. Thank you always. God Bless You!!

“ Cousins - we're sorry that none of us from the "St. Louis DeSalvo branch" of the family can join you tomorrow, but our thoughts, memories and prayers will be with all of you -- especially Cindy, Gina and Ronnie and their families. The best memories that my brothers and I have when visiting you all was seeing our grandfather Carmen and his three brothers hanging out together and just enjoying their time together! (and all four having similar expressions and mannerisms)

Our condolences, Jimmy Paul and family
