“ I am saddened to learn of George's passing. He was such a good friend when all of us were in the high school and college youth groups at church. I remember his laughter, his crazy driving, and watching the intense love grow in his heart for Sandi. He was a wonderful friend and will be so missed.

“ Please accept our love and sincere sympathy. Our families have known each other for many years and have shared special times. So many memories! Your family will always have a special place in our hearts! He was a good Christian man and will have a special place in the hearts of all who knew him. May he rest in Peace, safe in the arms of Jesus. Thoughts and prayers remain with all of you now and in time to come. Peace and love to all.
