“ Dear Evelyn, PJ, Tony, and Family...Chip and I feel so honored to have met your wonderful husband and father, Gil. He was a joy to be around and a delight to talk to. The last time we saw him we were "debating" ;-) whether New Mexico or Colorado had the best chiles. It was a pretty funny conversation, and we smile to this day just thinking about it. Of course, Gil was right, but don't tell my sister, Mac. ;-)
