

Gina M Carlino

September 18, 1969 - September 20, 2023

Gina Marie Carlino, 54, was born on Sept. 18, 1969, in Pueblo, CO and went to be with our Lord on Sept. 20, 2023. Gina is preceded in death by her father, Tony Carlino; her brother, Tony Carlino, Jr. Survived by her mother, Betty Carlino; siblings, Marilyn and Carole Carlino. Gina was a graduate of Central High School and spent her career specializing in HR and Payroll for companies in Denver, Seattle, and Los Angeles, and then returning home to work for her favorite employer, Nortrack Rail Company. She was a dedicated Catholic serving as a Eucharistic Minister and loved participating in St Vincent de Paul and all St. Joseph parish events and functions. She also enjoyed cooking, reading, fishing, gardening, theater shows, Comicon and collecting Peanuts characters and Painted Ponies. She was a proud supporter of our military, and all CO sports teams - especially the Avalanche. She had a special love for animals, especially her rescue dog Vinny, her cat Bella, and the Guinee hens she raised from tiny chicks. Gina was a very special gift to her family and everyone who knew her. We were truly blessed to have her as part of our lives. She will be forever loved and deeply missed by all those she leaves behind to cherish her memory. We want to express our sincere gratitude to Fr. Steve Murray for his blessings and support in her final hours, all friends and family members for their prayers and concern, and especially everyone at Parkview Hospital for the outstanding care they provided for Gina during her time under their care. “Gina was someone who gave her heart. I remember working with her and how on bad days, she was always there to help me. My husband is quite ill now and Gina made the bad days better. I remember the laughter also. She was so funny and I felt like she was my sister as we giggled. She was so dear to my heart. I remember her stories about Vinny. She loved that dog so much. She was such a good person, and we had made plans for lunches and just doing things together when things settled down after my retirement. I will miss her so much.....she was truly a good person. You just don't meet people who give of themselves. I feel so honored to have had her as a dear friend.

“I remember when Gina was 4 years old and I was 11 and we were sitting on Grandmas porch off the kitchen. She was trying to convince me with her big doe eyes and her sweet little 4 year old face that she didn't do the mischievous happenings that Aunt Betty was putting her in a time-out for. I kinda believed her.

The other thing that I loved about Gina was how she always, for years, would send us really sweet Christmas cards. We didn't visit Pueblo as often as we did when we were younger but those years visiting every other summer were most definitely my favorite memories. Gina sending those cards kept those memories alive for me, and I am grateful she did.
