

## Gina Farmer

November 23, 1959 - April 25, 2026

It is with heavy hearts that we announce the passing of Gina Farmer, a brave independent woman, a loving daughter, mother, grandmother, sister and a dedicated animal caregiver. Her nearly year long battle with cancer came to a peaceful end Saturday April 25th 2026.

Gina's bright spirit lives on in the hearts of all who knew her including her daughter, Teri Poteet; three bonus children, Allison, Melissa, Connor; four grandchildren, Christine, Michael, Miles, Memphis; a loving life partner of many years, Jeff Woeber; her surviving mother, Florence Johnson (Buck Maloney); and siblings, Kathy (Joe) Stommel, Brad (Johanna) Snyder.

Her passion for rescuing, raising, training, and caring for animals has touched innumerable lives as both a pet groomer and friend of many animals along the way. Her love for pets had even earned her the name "Grandma Animals"- a moniker she touted proudly.

Gina laughed easily, spoke softly, hugged tenderly, and led bravely, even through the difficult journey of cancer treatment. We look for her presence in the first spring rose, the robin perched on the fence, the warm acceptance of an animal, the laughter of children, the songs of morning time, and, most of all, the fire in our hearts. Rest in peace Gina Farmer; your days of illness are done, but your days of radiance have just begun.

Celebration of Life will be held at Roselawn Cemetery Saturday, May 9 at 11am.
