“ Ohhhh my gosh. I was thinking about my Nina today and decided to look her up and I found this. I am so sorry I didn't know of her passing. We used to write each other all the time and after she lost her boyfriend we lost contact. I know she was very sad and going through the emotions. Last time I seen her in person was at my Grandma Liz's Service. It's been so many years that have passed. Sitting here crying wishing I could talk to her one last time. I love you so much Nina. Dance with the angels. Love always your God daughter, Jeanine C. Cruz
