“ *There are many heavy hearts left saddened by this tragic loss of life. Hank was loved by all who knew him. He was a big part of my life and he will always live in my heart. We shared so many special memories, but one stands out...the day after we married we opened our wedding gifts by the Guadalupe River. We were young, happy and full of life and love, looking forward to the road ahead. Not long after, we had a child, the most precious of all gifts, our son Jacob Elijah Seekatz. For over 22 years we walked this earth as a family of three together. Now we say goodbye to our beloved Hank with much sorrow and heartache. I have lost a big part of my heart losing him, but I will always have the memories of our life together. Rest in peace my love.*
