“ Terry and I were very saddened to hear of Harold's passing. Carmen, you and your family are in our hearts and our prayers. I fondly remember Harold coaching our Church basketball team when we were in High school. Before every game Harold would always bring "space food sticks" which were a popular energy booster of that day. I have always been very fond of Harold because of his kindness to me during that period of my life. He was a fine coach and a fine human being who we will miss. May The Lord's peace and comfort surround your family during this difficult time. Much love to you all!
