“ I grew up in Pampa Texas and have great memories of riding the bus with the David's. I will never forget that blonde haired blue eyed boy that rode the bus. I know he will be missed by so many and he also will miss his wonderful family as his journey now continues in heaven. I find comfort in his happy reunion he had on the other side being met by his mom and dad. Especially his brother Charlie that has been waiting for him all this time. I pray the family can be comforted at this difficult time. With all my love, Amy Voyles

“ *Blue was very always such a great cousin. He would always let me run around and hang out with him and his brothers when we were young kids. My favorite memory was when we were in elementary school and I had just started at his school and I was scared and upset. Blue would walk past my classroom and make me laugh. I was lucky enough to reconnect with Blue and found that he was just a kind, sweet and wonderful as he was as a kid. I love and miss you Blue! God has the very best angel in heaven with him now!*
