“ Archie was my Step-dad for awhile and while him and my mom went there separate ways I'll always remember how he would take me on motorcycle rides through the mountains. It would feel like flying going around the curves and then when we got home he would brush out all the knots in my hair. He loved all of us and worked hard. Sorry things ended how they did and we didn't stay in touch.

Rest in Peace

“ Archie was a wonderful person and a true friend. He was a loving and caring brother. Any one who got to know Arch found a friend. I have fond memories of motorcycle rides together around Colorado and down to New Mexico. He was a great mechanic, fixing motorcycles and building a mini chopper from scratch. On one ride down to Red River, New Mexico, the throttle cable broke on his motorcycle but that did not stop him. Archie did some hasty road side repairs utilizing some wire and a pencil which got him the rest of the way to the destination.

Thank you Archie for the past 18 years of friendship and your military service to our country; your memories and legacy will continue on. We pray for comfort and blessings on the Archuleta family during this difficult time. He will be missed but we look forward to a reunion in heaven one day. We love you Archie!

“ To Archie's family;
Pam and I became friends with Archie when he first move in to his home next door to us. And a very good friend he became for sure. Before all of us got sick and disabled, we used to sit out on our deck with him and our other neighbors Mike & Kathy from space 12 and shoot the bull and joke and laugh and have a great time! He always told us that if we needed him we could call on him. Thank God we never needed him like that but rest assured that the offer was deeply appreciated. We will miss him more than you can know and I am sure this has saddened all of his family more than we can ever know!

To La Familia, I offer our help and condolences and please feel free to call on us if you need help of any kind as you go through the grieving process. We know you are greatly saddened by the sudden loss of a son and brother and father!

Our prayers are with you all,
Pam & John McMullen
