

Hercules "Herc"

May 20, 2006 - September 20, 2019

Hercules better known as "Herc" was born on May 20, 2006 and passed away on Sept 20, 2019. He was 13 years old. Hercules was an amazing grief therapy dog that not only helped our grieving families deal with the loss of their loved ones, but help each and every staff member to make it thru each day. Herc (as he is affectionately called by everyone) was trained by the Prison Trained K-9 Companion Program and came to be an employee of Roselawn Funeral Home in May of 2008. Roselawn Funeral Home decided to bring a grief therapy dog on as staff after reading multiple articles on the benefits of having said grief therapy dog. Herc lived up to all expectations by being the right mix of mild and easy-going temperament to playful and kind. His original profile stated that his tail was connected to his heart and had O.A.T.S. (Over Active Tail Syndrome) and that condition stayed with him his whole life. Herc would greet people at the door with his tail wagging and a smile on his face, there are many customers who come and visit the cemetery just to see Herc. He will be truly missed by his Roselawn Family and caregivers, The Cruz Family and also by the whole community. His compassion and care for people can not be matched by anyone and will never be able to be replaced in our hearts. A celebration of Hercules life will take place on Thursday September 26th at 3:00pm at Roselawn Cemetery before being put to rest in Roselawn Pet Cemetery for all to come and visit.
