

## Holly Lee Smith

April 30, 1958 - October 15, 2021

Holly Lee Smith was called to God unexpectedly on October 15, 2021. She was born on April 30, 1958 to Francis and James Smith in Walnut Creek, CA. Holly was a very caring and giving soul, always willing to help out a person who was down on their luck or an animal that was in need. She spent most of her childhood in Plymouth, NH and graduated Plymouth Area High School in 1976. She spent her last 19 years proudly raising her pride and joy, her son Arthur James. Holly chose to become an investor in rental properties so she could have the flexibility to volunteer at Arthur's school. She never missed any of Arthur's achievements. She loved to attend his football practices and games at Corwin Middle School, East High School, and most recently CSU Pueblo. These moments were extra special as she was able to enjoy many of them with her dad by her side. Holly loved being outdoors, whether it be in the mountains, the Pueblo Reservoir, or working in her beautiful backyard garden. We called her our outdoor puppy. Holly was an avid and accomplished skier. She loved to spend winter weekends skiing with her family. Holly's happiest moments were spent outdoors with her loved ones. Holly was preceded in death by both of her parents, Francis and James. Holly is survived by her son Arthur Braach, his father Greg, sisters Tanji Sampson (Gerry) and Karla Demers, brothers Kully Smith (Karen), Bo Smith, and numerous other relatives and friends who will miss her dearly. A celebration of life will be held at 11a.m. on Thursday, November 4, 2021 at Praise Assembly of God, 200 Troy Ave., Pueblo, CO 81001.

“ *Dear Friends: AJ, you do not know me but I know of you through your grandfather who spoke so much about and so highly of you. You brought such deep meaning into his life and into the life of your mother. I send my blessings to you and to Tanji, Gerry, Karla, Kully, Karen and Bo. Your journey as a family has been sacred but not always easy. May you find peace through the love you shared with Holly and may your memories of her and your love for her guide your paths as you mourn her passing. Love, James*

*Holly's passing is difficult to accept... She was a treasured member of our extended family who died far too early. While geographically separated, Holly occupied deep places within our hearts. She was a remarkable individual who routinely modeled courage, while holding fast to her values; was incredibly loving and smart; failed to suffer fools gladly; was a visionary; and modestly radiated her penetrating beauty. We will miss you. Thank you, Holly, for the moments we shared, and for being such a cherished part of our lives.*
