“ Kathleen, K. C., Nicole, Angela, and Christina, We offer our sincere sympathy at the loss of your husband and father. Our thoughts and prayers are with you now and in the days to come. In our lives, people come and go and there are those who remain in your heart forever. Mark was such a person. He had a heart of gold and was always willing to lend a hand. I (Pam) had the privilege to work with Mark all of the time he was employed at SMC. I knew with him in the pharmacy, the hospital was in good hands. He was precise, efficient, competent and thoughtful. He was a story teller for sure and I had fun listening to the stories. We will miss our occasional chance meetings with him. When we think of him we will see his smile and hear his laugh. We are honored to have shared part of his life. Rest in peace, Mark. God's blessing for all of you now and may the many memories of happy times carry you through this difficult time. David, Pam, Megan and David Keller
