“ James E. Lucas we never met in person, but we know each other online. I was shocked when I saw your friends post that you are gone. Eleven years ago I remember we started to be friends. You are the kind of friend who is very kind, helpful and cheerful, I will miss you always giving me advices. Our last chat was on January 18. you said you were okay, feeling better but I didn't think that was our last conversation. 😭😭😭 Even if you leave us here on Earth I am sure you are happy now with our Dear Lord and your Wife in Heaven. You will not experience Pain, Sadness, and Loneliness anymore....

Death may have taken you away from us but it could never take away your memories. You will always be in our Heart.

Rest In Peace My Dearest Friend

“ Jim was such a amazing great person he was like family to me and my dad roger. He will ne missed very much. I hope now he is resting in peace with no pain in the arms of god. My prayers and thoughts are going out to the family. I will always remember him he helped me and my dad out when we needed it most and we always helped him out either around the house or fixing the roof or helping him build something very many great times and memorys.
