“ I only knew Janet from the many years I've shopped King Soopers, she was a wonderful person. I feel like I lost a friend. We had conversation at the store, always treated me and all her customers with kindness, and a smile. I'm going to miss her face at the store. God bless her family with strength and comfort their hearts in Jesus name 🙏❤️🙏

“ I am shocked and saddened to hear of losing Janet. We were neighbors on Hollywood for a while. She was such a wonderful person, and I know she will never be replaced by her family and loved ones. When I would see her at King Soopers she would always ask me to sing like Elvis. I know you're in heaven asking Elvis to sing now, and I hope he does sing for you! You are missed!

“ *I'm so sorry to learn of Janet's passing. I got to know her at King Soopers, and I'll never forget her friendliness when I would go through her line. We talked about everything in those short minutes when she was checking me out. I really considered her a friend. After she retired, I would see her in the store and she always greeted me with her beautiful smile. I'm heartbroken for her family. She'll be missed by so many. Rest In Peace, dear friend. ❤️❤️❤️*

I'm stunned to read this on facebook. I'm a customer at KS and tried to always go to the check out where Janet was cashier. She was always so sweet, kind, & nice and I liked her very much. I'm sad shes gone from us. Im sure there are others who shop at KS who will be sad that Janet wont be there anymore. My heart & prayers go to all her family. May God hold you close to His heart during this time of grief. She will be greatly missed.

When I lived in Pueblo I always went to Janet's cashier line. When I'd come home to visit, i went to her line. She always remembered me and was just so friendly. I am shocked and saddened to read this. I'll miss her. Rest in paradise, Janet.

I was shocked when I saw her in the paper. My husband and I would wait in line for her to check us out and she would always ask my husband how he was doing. I lost him 7 years ago and she would then ask me how I was doing since he was gone. She really was concerned. I just loved her. May you rest in peace. God came and put his arms around you and said come with me.

God will help you and the family in this difficult time.
