“*My name is Augie. I worked with Jason these past few years at the mill. First of all I would just like to tell you how very sorry I am for your loss. I can't imagine how you must be feeling. I am heartbroken and I only knew him for a short while. Jason was a top notch individual, sharp as a nail, Helped me out countless times when I needed him, there was nothing he couldn't figure out. I truly regret not getting to know him even better, I guess I was a little intimidated of him, here I am an educated guy of the same age and Jason just blew me out the water with his abilities. Jason will be missed. I know we at the mill are lost without him. My prayers go out to you his family. God bless you.*”
