“ Dear Pastor White, Mrs. White, and Tracy, I am so sorry to hear of Jason's passing. Although we did not know each other very well, he was always a kind, genuinely caring and compassionate person in high-school and youth group. My prayers are with you, your family and his friends at this challenging time. -Elizabeth Carty (Chambers)

George and Evie, for so many years you have gone overboard comforting others. now the time has come for others to do the same for you and of course we come up short of proper words. We love you and you are in our prayers.

“ My sincerest condolences to your family. Jason was an amazing, caring, compassionate human being. He helped bring God back into my life and gave me hope. He helped me and my boys through some difficult times while I lived in Pueblo and for that I am eternally grateful. He was our angel. I honestly do not know where I would be today had God not put him in our lives. Prayers of healing, comfort, peace. ❤️
