“ Kathleen and I were best friends all through school and beyond. Unfortunatly our life pathes went in two different directions and we lost touch over the years. I regret that we had not been in touch. There was nothing in our younger years that we did not share together. I have way too many memories to share on this page. RIP my beloved friend.
You will always be in my heart. Love you Peggy.

“ Certain circumstances led us apart most of the time in our lives, but one thing I will always remember when I did get to see you was your sweet smile.
Rest easy now Aunt Jean. I love you, your niece Kris (Martin) Lewis
