Beloved dad, father-in-law, grandfather, great grandfather, brother, uncle, god father, and friend. Jerald loved the outdoors enjoying fishing, hunting, and camping. His favorite things to do were spending time with his family, drinking a few beers, watching Star Trek and Bronco games, listening to music and going for long walks which he referred to as "out prospecting". While out one day prospecting he found a real \$100.00 bill and was quick to share with his kids. In high school he excelled in sports such as wrestling and pole vaulting. He then went on to earn a bachelor's degree in mechanic's and really enjoyed working on cars, including paint and auto body.

Though disabled due to an auto accident at an early age, with a lot of hard work and determination he adapted and was very independent. He had a great sense of humor and loved laughing and joking around. He will be truly missed by all who knew and loved him.

Jerald's family would like to send a special thank you to Pueblo West Gardens

staff and friends for the exceptional care and love they provided through the years. He enjoyed his stay at what he referred to as “the compound”. Currently due to the COVID-19 situation we are all currently experiencing, we are choosing not to hold any type of funeral service. The family is hoping to get together in the near future to celebrate his life. Your thoughts and prayers are greatly appreciated at this very difficult time. Cards can be sent to Roselawn Funeral Home, 1706 Roselawn Rd, Pueblo, CO, 81006.

“ My son, Willie, lives at Pueblo West Gardens also. He became very close to Jerald & enjoyed being around Jerald very much. I had met Jerald & he was always so nice & friendly. He always spoke to me. BUT I am so thankful that he was friendly to my son and enjoyed being around him. Sometimes it isn't easy being around someone younger who has some mental issues. Jerald was special. Willie will remember his friendship for years to come. Jerald, you will be missed.....

“ My grandpo was a very kind hearted man and he loved his grandkids. I remember when he would fall asleep babysitting my sister and I. We would go to wake him up and his response would be "I'm just resting my eyes". He also made the best scrambled eggs with syrup. He will be truly missed.

“ I was so blessed to have my Dad walk me down the aisle and honor me with a Daddy daughter dance. It meant the world to me. Childhood memories of digging worms and going fishing, having me read a book over and over until I had no errors, teaching me to ride a bike, making snowmen, pillow fights in the living room until someone got injured, teaching me to make delicious omelets, being brave enough to teach me to drive and most importantly loving my all my life. My Dad was a strong man who kept on going no matter what. Those memories will live in my heart forever❤️ I am going to miss seeing his big smile and warm hugs that used to greet me. I am so relieved though that our dad is not in pain anymore and he is in heaven with his loved ones who have also passed. May he Rest In Peace
