“ My thoughts of Jerry Paul go back several years to when Jerry and I attend Roosevelt School and later Franklin Junior High School and then Franklin High School in Stockton, California. Jerry and I were both active together in Boy Scouts, Civil Air Patrol and many school actives. We both played the String Bass in the Franklin Jr and High School Orchestra. Jerry and I also had the privilege of participating in several county wide honor Orchestra concerts that was held at the College of Pacific, Stockton, California. Jerry, I can truly say: Thank you for being my friend!
