“ Jo Ann was always willing to help me when I was Department Chair of the Psychology Department. She was cheery, positive and full of energy. There was not a problem in the office that she could not solve. She is greatly missed.

“ I'm so sad this happened. I worked with JoAnn at CSU-P for 5 years. She was so friendly n helpful. She always had a beautiful smile, and loved to share stories about our Alma mater Central High School. We shared pictures of her grandchildren and her daughter Missy as she was my student at South H.S. I am so sorry for all her family.💔💔💔
