“ *Jo Ann and I became friends after she moved into Park North townhomes. We checked on each other usually every day. I will miss her. She was so worried when I had heart surgeries. I loved her very much. God bless her family* ❤️

“ *My Grandmother was such a kind and loving person. She had so much passion for her family and made sure we all knew how deep her love for each and every one of us was. She never seemed to run out of love for anyone and was always available if you needed a kind word or a prayer. I can't put into words how much I look up to her for her endless capacity for love. She made it look effortless. She was an incredible woman and I've always admired her for so many reasons. She was so intelligent and always encouraged me to pursue and value my education. This past week I find myself wishing for just one more phone call with her, one more story, one more encouraging word. She has always been there for me. No matter what.*

When I feel overwhelmed with grief, I find comfort knowing she is no longer suffering and is now in paradise with our Lord and Savior. I can just see her beautiful smile as she walked through the gates of heaven. And in that I find some peace and even happiness.

She would always tell my brother Ryan and I that we made her heart so happy. Well grandmother, your love made my heart happy as well. I can't wait to see you again. I love you so very much. Thank you for all of the love you gave me. I will cherish it all. Every moment I was blessed to have with you.

“ *This has been very difficult for me to write. Joan & I go back a long way she was a friend everyone would be fortunate to have. I will miss her but I know that she is now at peace and not suffering.*

“ My Mom, Joan Nina "Iacobone" Murray, was an amazing, wonderful, caring, thoughtful, intelligent and loving woman. She was dedicated to her family and shared many many significant moments in my brother, Theodore's, and my life. She was there for the birth of our children, for each of my children's First Holy Communions, Continuation Ceremonies, and High School Graduations. She attended my son, Joshua's, college graduation. She supported my daughter, Nicole, through her college experience at Regis University. She was a faithful servant of God and attended mass regularly until she was no longer able to do so. She loved to tell us about her experiences growing up in the Italian community of Pueblo and belonged to Dante Alighieri. She dearly loved her extended family in Pueblo and her dear friend Angie who she had known all her life. She had many many friends and there was never a time I visited her in Pueblo that she did not know someone in a restaurant we visited. I've heard from several people who called her cell phone to tell me stories about my Mom. Thank you! Those conversations have helped so very much. My Mom would want everyone saddened by her passing to know that she was now at peace and was very happy to see my Grandfather, Grandmother and the countless others who welcomed her to heaven.

This verse has given me great comfort since Saturday. I do believe it to be true.

John 11 25 Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die; 26 and whoever lives by believing in me will never die. Do you believe this?"

“ *Jessica & Ted and Families: From the Family of Hilda Gallegos, we
send our condolences to all of you for the loss of your beloved
Mother, Joan. She & Mom were colleagues in the education arena &
worked together well. Mom enjoyed their phone calls in recent years
& their reminiscing on the work they did together. Your Mom took
pride in her work and the accomplishments of her students. Please
know that you are all in our thoughts and prayers. Joan will be
remembered by the Gallegos, Lucero and Musso families. May she
rest in peace and let perpetual light shine upon her. God Bless to all
of you.*

“ I’ve had 51 years with my mother and probably responsible for a lot of the grey hair she had with my younger days, but she has always been there for me. A mother’s love is a magnificent love, there to give no matter what. She has guided me through my life. She was a very kind and helpful person, she loved to help others. Always trying to help people prepare for life itself whatever their personal challenges were. She was very intelligent and she could talk to anyone and make them know she cared and had a friend in her. My mom will be missed by all that knew her. I know I will! Thank you mom for Everything. I love you.
