“ I am so sorry to hear the news of Joann's passing. Joann will be remembered as a genuinely kind and gracious person whose warmth made others feel welcome the moment they met her. She had a remarkable talent and a deep knowledge of Pueblo—its history, its culture, and the stories that made it special. Joann took pride in sharing that knowledge and helping others appreciate the community she loved so much. Her presence brought both insight and heart to every conversation, and she leaves behind lasting memories for all who knew her. She will be deeply missed.

Joann was truly blue ribbon. She was a composer, producer, presenter, entertainer, she was a perfectionist in all her ways. I only have good memories of her and V since I met them. She would always make you feel welcomed into there home. I know that our Father has her in his hands.

Forever remembered friend

What a special, kind and strong person Joann was. She was extraordinarily welcoming if you went to her home and wanted to show you her store and her chapel. The world needs more like her. Rest in peace and God bless, Joann. You were an angel on earth!
