“ My heartfelt sympathy to you all. Jody and I were very close growing up in Kansas. Our families would meet at our grandmother's house in Oxford, KS at the beginning of summer. I would go home with her family for a couple of weeks. Jody and I would get on the bus in lola and take it to Wichita where she would spend a couple of weeks with our family. The families would then meet at our grandmother's again to exchange girls again. I loved going with them to their cabin and pick blackberries and boat ride. I learned to play the piano there and had some really great memories of Jody growing up. We did not see as much of each other after they moved to Iowa and we all grew up. We still kept in touch by phone. She will be missed by a lot of us.
