

Jodi Marie Montano

March 22, 1977 - August 10, 2020

Jodi Marie Montano, 43, was born on March 22, 1977, and passed away on Aug. 10, 2020. The angels came unannounced and took our sweet Jodi away from us in the wee hours of the morning. She left this world long before she was supposed to. We will struggle the rest of our lives trying to figure out why- but just know that the time we all shared was of joy and love. She gave of herself without reservation and her love was unconditional. Her quirky sense of humor, quick wit and that mischievous little grin will be burned into our memory banks forever. Jodi was the most precious daughter, sister, wife, mother and friend. Our Jodi girl will forever be remembered and missed. Jodi was preceded in death by her grandparents, John and Dorothy Venditti, Charles and Shirley Printz, and Peter and Dee-Dee Montoya. She is survived by her loving husband and best friend, Joshua R. Montano; and her children, Kobi Alan and Kylee Jo, who are all of the family home. She is also survived by her mother, Jo Ann and stepfather, Samuel A. Montoya; father, Thomas Printz and stepmother, Jamie Printz; siblings, Thomas A. (Brandy) Printz, P. Terrence (Johnna) Montoya; mother-in-law, Sandra Abdulla Magana; father-in-law, Jess Magana; brother-in-law, Roger C. Montano; and numerous relatives and friends including her four legged buddy, Daisy Mae. In lieu of flowers, memorial contributions can be made to St. Jude Children's Research Hospital in Jodi's name. Jodi would have liked that- "Know-whata-mean?" Services will be held at a later date. Online condolences can made at roselawnpueblo.org.

“ Please accept my condolences. I was saddened to hear of Jodi's passing. Jodi and I were cousins we didnt see each other often as kids but there were times that I spend time in Pueblo and visit her grandparents John & Dorothy- my Grandfather Fred's brother who both my sister adored! Jodi would be there visiting during the summer with out other cousin Kim. I have fond memories of spending time together. I wish the family peace and healing.

“ Chodi Pop...our lives are blessed as a result of your family, your smile and your laughter. I remember time spent at Sam and JoAnns watching Shrek with your kids and teasing Kylee when I referred to her as "Kylee Jo Mama" and she stood defiantly and said, "I'm not your mama!" Just like her mother 😊 ...there will forever be a smile in our broken hearts because of you.
