“ *To the Family of John Koehn,
Our thoughts & prayers are with you at this difficult time. We hate to hear of the loss of our life long friend and car buddy, so many memories and good times remain with us. So glad we were able to visit John & Sandy a couple of years ago and spend some precious time reliving the past. We will remember the great times and find peace in the fact that John has gone to a better place, hopefully with a huge car shop waiting for him.
Deepest Sympathy,

“ *Hi Koehn Family,
I just read the news of John's passing and I was so saddened to see it. I'm one of his classmates from LHS '65, and I always was glad to see him at our class reunions, I will miss him... We've lost quite a few class members in the past few years and each one affects those of us who remain. John was a friend in high school, I regret that we didn't see more of each other after that. I always enjoyed his sense of humor and I can picture that devilish little smile of his as I write this! I know he was in Pueblo for many years, and ironically, we drove through there Jan. 12th, and I thought about trying to stop and find him. Sue and I share your loss and pray that you will have many good memories of John to sustain you in the days ahead.
