“ *To the dear family of John. He will always be remembered. I always asked my Dad (Art, neighbor across the street) how John was doing and when I came down from Castle Rock I tried to visit John when I could. I always enjoyed visiting with John. May he rest in peace and may his life of love always be in your hearts.*

I am not for certain this is the right John, but I served with a John Thomason in the Marine Corps in 1973 -1975 while stationed at Camp Pendleton, Ca. We both worked in Headquarters, 1stMarDiv. To make a long story short, I was thinking of John because I ran across a picture of him sometime in Sept. 2018 and I was determined to get in contact with him and then I saw an obituary which I believe is him. I remember John as a real good friend who was kind, with a great smile. He was Avery happy, joyful person. I am saddened to hear of his passing away. Pray for us John. I am so sorry for waiting so long to try and look you up. God Bless You my friend. George
